

ICAR-CAZRI National Productivity Week (12 – 18 Feb 2017)

Institute celebrated National Productivity Week during 12 – 18th February 2017. On this occasion a Kisan Sangoshi was organized in village Popavas in which more than 200 farmers participated. The Sangoshi was held on Feb. 18, 2017. The Sangoshti was addressed by Dr. O.P. Yadav, Director, CAZRI. Various Heads of Divisions of CAZRI and PC, AINP (VPM) also addressed the meeting and interacted with the farmers. Besides replying to farmers queries, they were also advised to maintain proper hygiene and adopt proper waste management practices. An exhibition was also organized to display the recyclable arid technologies in the form of posters.

A lecture was organized at CAZRI, Jodhpur as part of National Productivity Day Celebration on Feb. 18, 2017. Dr. Praveen Kumar, Head of Division , delivered the lecture on the topic “**From Waste to Profit**” which mainly focused on the utilization of lignocellulosic waste in crop production, and as a source of renewable energy. Utilization of other wastes like fly ash marble slurry, feldspar, lignite etc were also discussed.
